## Staffing Solutions for Employers. Education and Careers for Students.

A recent survey of major employers in the U.S. ranked these skills as the most important when hiring new employees:

1. Interpersonal
2. Teamwork
3. Analytical
4. Oral Communications
5. Flexibility
6. Computer Technology
7. Written Communications
8. Leadership
9. Work Experience
10. Internship Experience

**Many of these skills are significant attributes of TurningPro graduates!**

At TurningPro, we listen to the unique needs of our corporate partners and deliver an established set of **diversity and inclusion staffing solutions** aligned with each company's individual human resource requirements. We have a proven track record of providing human resource solutions to Fortune 500 companies and government agencies and will continue to provide the highest quality staffing services to corporations around the country. Our solutions are designed to create a pipeline of qualified candidates that possess the skills and attributes that employers are looking for.

## Opportunities for TurningPro Corporate Partners to Engage

- **TurningPro Studio:** Be a presenter during a “TurningPro Studio” session. These live, 30-minute online WebEx-like sessions are used to educate students on a variety of personal and professional development topics
- Offer **work experience and internship opportunities** for TurningPro students
- **Interview qualified TurningPro students** for career opportunities
- **Offer full-time career opportunities** for TurningPro graduates if they are the most qualified for the position
